

Circular Walk to Bluecoates c. 2.5km

From the village hall in Thornton-le-Clay walk towards Foston. Take the first right along a metalled road signposted Bluecoates. Just before reaching the farmyard follow the footpath sign to the right taking the diagonal well-defined grass track across the field, heading for a gap in the hedge. Turn right, keeping the hedge on the right of you until you reach the corner of the hedge. Here the footpath is marked both left & right. Take the right hand path to the end of the hedge; keeping straight on, now keep a hedge on your left. You will reach a metal footpath gate in the lefthand hedge. Go through into the field & keep to the righthand boundary of the field. Note that there are usually cattle in this field. Keep away from them & take extra care if you have a dog. After a short distance you will reach a gateway & gap in the hedge. Turn right, through the field along a well trodden path. Keep the wire fence on your left & follow this round the field keeping it on your left, until you reach a stile into the Thornton-le-Clay/Foston road. Turn left to your starting point.
